PROCEDURAL	Jan-10	To form a committee chaired by Glenn to investigate these budgeting issues: [District Treasurer] submitted an amended version of the proposed budget (as decided through a Group Conscience in December). The proposed budget contained the column of actual 2009 expenses as requested. One GSR asked, "What is our total expected income for 2010 and what was our actual for 2009?" Another GSR clarified that according to the report handed out in December, our actual income for 2009 was \$5,664.50. One member voiced concern that if we approve this budget we will be approving a budget that is NOT balanced. The Treasurer clarified that we do not spend money that we don't have. He reported that when we are low on money as a District, the Chairs and Officers tend to show restraint in their spending no matter what's budgeted. A member asked why on some Service Chairs entries, the "actual" column shows little or nothing, and the budget for 2010 is much higher. The Secretary stated that in his case it is because he is not requesting reimbursement for most of 2009, but that perhaps the next elected Secretary will need the reimbursement so it should be budgeted. This probably is the case with some of the Service Chairs. The DCM asked the question to the body, "Have we approved budgets in the past?" Most of the members present felt that we have never approved budgets before. One member stated that it would help Groups see the need for contributing if they could see where the money is going and the actual District 8 expenses. Another member cautioned against overspending. Another member felt we should consider tracking which Groups are contributing and which Groups aren't.	Dave G.	Calvin H.	Passed (no totals)	TREASURER, DISTRICT BUDGET

LITERATURE	Jul-09	That all Groups and Clubs buy meeting cards 11 cents per copy to be self supporting. Some felt that groups are already paying by their Groups contributions. Others felt that not every Group contributes and our financial situation justifies charging for meeting cards. The Webmaster pointed out for clarity that the meeting cards are not the only source of this information. We have Area24 and District 8 websites. The District Treasurer shared that the cost last time was \$353 for 3000 meeting schedules.	Alan G.	Shawn L.	Failed (no totals)	MEETING CARDS
PROCEDURAL	Jun-09	That the District Inventory Committee be given \$20 for coffee and cups for the event. This motion was made by Jeff F. and seconded by Sarah D. One individual suggested a friendly amendment to the motion that "the amount be changed to whatever the coffee actually cost" and that the committee be reimbursed rather than "fronted" the money. Both Jeff F. and Sarah D. agreed to the amendment. Discussion ensued. Some felt the motion was unnecessary.	Jeff F.	Sarah D.	Passed (no totals) after amendment	NON-DISTRICT EVENTS, EXPENDITURE

SECRETARY	Apr-09	That the Secretary include all monthly "chip exchanges" in the District 8 Minutes, not just years. Motion made by Sarah D. and seconded by Shawn L. after a short discussion. After more discussion Sarah D. amended her motion to say that we include whatever is on the Group Report Forms in the minutes. Shawn L. accepted the amendment. The motion passed by a small majority. The minority voice was heard. A voting member from the majority asked for a "motion to reconsider," which failed. So there was no revote taken. The original motion carried.	Sarah D.	Shawn L. SECRETARY	Mar-09	That the District Secretary include an "Upcoming Events" section in the District 8 Minutes. Motion made by previous Secretary Cindy M., and seconded by Brandon D. Cindy then stated that the Newsletter Chair gets her data from the District Minutes. Some members believed that the Minutes are just supposed to be a record of what happened at the District Meeting and nothing more. One member felt that having the "events" in the Newsletter was not as good as having them in the Minutes, because the Newsletter comes and goes, whereas Minutes are a constant. After some confusion the Secretary clarified that what was being discussed is the inclusion of Non District, Non Group, or Non Service "Events" (Those events that are specifically excluded from being announced at the District Meeting). After more discussion Cindy M amended her motion to say that we include these separately incorporated services and events in the minutes in an "Upcoming Events" section. Brandon accepted the amendment. The motion passed by a small majority.	Cindy M.	Brandon D.	Passed (no totals) after amendment	
SECRETARY	Mar-09	That the Secretary put all "chip exchanges" in the minutes, not just the Anniversaries. The Secretary asked for a discussion or group conscience on this issue since he had received a large amount of "chip exchanges" (chips less than one year) from GSR's this month. This discussion ultimately led to the motion made by Joe K. and seconded by Cindy M. One member asked for clarification of whether or not these had been included before (and therefore will continue being included). The Secretary said that "no, they had not yet been included." A GSR stated that even though these chips are numerous and may seem redundant they are important to the person getting the chip. Another member suggested that we include all these "chip exchanges" but limit how far out we announce them. They believed this would save space in the minutes. One GSR encouraged the body to consider making a motion or ending discussion. Hearing this the DCM asked the body to quickly drive this in a particular direction or make a motion. Joe K. made the motion at this point and Cindy M. seconded. There was no discussion after this, and the vote was taken. Motion failed.	Joe K.	Cindy M.	Failed (no totals)	
NON-DISTRICT EVENTS	Feb-09	That District 8 host a hospitality room at the Cedar River Roundup. Dave G. made this motion, and Sarah D seconded it. It was clarified that in the past there has many times been a smoking hospitality room and a non-smoking hospitality room. One of which was paid for and manned by the District. Some members believed that we should not do this and get out of the "events business" altogether. One member asked, "If we don't do it, who will?" Another member responded that it should be the CRRU committee's job to handle things like this by approaching groups.	Dave G.	Sarah D.	Failed (no totals)	EXPENDITURE
PROCEDURAL	Feb-09	That the District give the Grapevine Committee \$100.00 to enable them to order literature and supplies to create a District Grapevine display for District functions. This motion was made by Sarah D. and seconded by Shawn L. Sarah stated that this covers \$69.95 in books and literature and \$30.05 in supplies to create the display. This would amount to four months of the GV Chairs budget. Some clarifying of the motion took place and it was determined that this will be above and beyond any future GV monthly budget. The motion passed unanimously.	Sarah D.	Shawn L.	Passed (unanimously)	GRAPEVINE, EXPENDITURE

People that were opposed spoke and the wish was if we get the money we should send them out. The major idea is that we are in the hole and something major has to be done about it. Chris asked if anyone in the majority wanted to revoke. Hands to vote again approved. More discussion followed. Revoke on previous Motion was 16 no's and 9 yes. WEBSITE	Apr-08	Committee [formed 03/18/2008] met and determined by a vote of 6-1 to start up the email again. Brent made a motion to reinstate Email to district Website to make it available to the still suffering alcoholic. Motion seconded by Barb. It was asked who would actually answer the email? Barb volunteered. We need to be available to be there for the wet drunk. Auto response would come up that someone would contact that person within 24 hours. Discussion followed, and Dave H. brought up that some guidelines need to be followed. Just a few basic ones should be established. Vote made on motion and Yeh's won. Minority spoke and point was made that more definitive guidelines need to be made, rather than it being so broad. Motion made to reconsider the motion. All those who want to reconsider the motion, say Yeh. Neh's were louder. Hand vote done & it was 16 for & 13 against. Original motion to put email back on website passed.
